

# Playing at the Top of His Game

**Aaron Patterson** – Poker aficionado, soccer fan, racing enthusiast, master strategist, expert program manager

When the stakes are high, Enspira's Aaron Patterson knows that a cool head, perceptive strategy and years of experience are the secrets to a winning hand. It is with this insightfulness and resolve that he manages state-of-the-art, leading edge technology projects for some of the largest utilities in North America. No matter how many cards are in play, how many players are at the table or how large the ante, Aaron has the vision, skills and confidence to master even the toughest utility integration challenges. With Aaron at the table, the odds are always in your favor.
